## Speaking from the East

by WM Rob Perozynski

Brethren, I invite you to get involved and participate in the activities of your lodge. We need your participation and help. Your lodge has been active in the past years with new members arriving and new initiatives being sought out. We currently have two Entered Apprentices in waiting to be passed to Fellow Craft and two Fellow Crafts in waiting to be raised to the Sublime Degree of Master Mason. Our degree team is active and proficient but we need to expand our capabilities with your help and assistance. We also have an Education Committee that provides Masonic teaching at our regularly stated meetings... learn why we do what we do and when we do it... become proficient in the knowledge. Our Scholarship Committee is busy preparing to administer scholarship awards to our local academic achievers with hopes of a college degree. Come see what we are doing and sit with your brothers in unity!

Lodge meets every first Thursday of the Month with spectacular suppers provided at 6 pm... bring your significant other or friends. Lodge commences at 7 pm. On the first Saturday of every month you can enjoy a great breakfast and friendship at our Scottish Rite Breakfast... you don't need to be a Scottish Rite Member to eat our breakfast. Cooking starts early, coffee and friendly mixing at 7 am and breakfast served at 8 am. Come join us!

**Help us make your lodge a community function! We need you to participate... we want to earn your annual dues!**

Brothers, your lodge has been very busy with our various programs as mentioned by our Worshipful Master. For example, we have developed a website that contains our monthly Trestle Board, Events, etc. and it can be easily accessed via: [www.eddylodge21.com](http://www.eddylodge21.com). We also are experimenting with this newsletter, which we intend to mailout monthly (predicated on mailing fees) to keep you informed of the business of your lodge. Our degree team is busy and could use your help, but more importantly we would like to see you sit in lodge with us and share our continued friendship and brotherly love. With the Oil and Gas industry picking up, we are seeing many visitors from out of state and it is a pleasure to have them attend our regularly stated meetings and share masonic discussions over supper prior to convening lodge. I sense there is a new movement afoot, because we also have new younger members coming into our lodge seeking masonic light. Our membership average age appears younger, and that of course makes a Mason (like myself) feel good about what we do and what we can do! *PLEASE COME TO LODGE AND SIT WITH YOUR BROTHERS.*
