## Speaking from the East

by WM Rob Perozynski

Greetings Brothers!

I hope that everyone is doing well. We have been busy here at the Lodge with the brothers helping out with various and sundry activities. We had a successful communication last month with myself providing adequate sustenance by way of a spaghetti dinner capped with the best dessert ever: Tiramisu courtesy of Br. Gary Scott. Education was another highlight with Worshipful Brother Caspar speaking. Communications are increasing in attendance and becoming quite lively. Please come to Lodge and increase the trend! We revived the Eddy Lodge #21 Scholarship award see results on page 4.

## Eddy 21 supports Girl Scouts of Troop # 12926 of Carlsbad, NM.

Girl Scout Troop # 12926 meets **three times a month at Eddy Lodge #21 on Thursday nights**. The troop currently consists of the following: Four Brownie girl scouts; three Junior girl scouts; and one Cadette girl scout. The Troop also has a leader and co-leader. Moreover, they have actively involved parents who help out each week. Troop # 12926 began meeting at Eddy Lodge in December 2017 and have since earned six different badges! They just finished up cookie sales, with proceeds from that the girls plan on completing three service projects which are:

- ✓ Plans to make self-care kits to take to the Battered Women's Shelter
- 1. For the Packs for Hunger program, they are making breakfast packs
- 2. and they will be making a bat box to take to Desert Willow Wildlife Rehabilitation Center.

April was a great month for troop 12926. We completed one of the three service projects planned *as marked by the checkoff*. These ladies worked hard and filled 100 'snack packs' to go into the backpacks used by the Packs for Hunger program. The next two projects have been started. During the first weekend in April, they traveled to Ft. Stanton for a Girl Scout encampment event. They learned about how life was in the 1860's; the time when Juliette Gordon Low the founder of Girl Scouts was born. The girls were able to learn about how laundry was done then, the types of games played (walking on stilts is a challenge!) calligraphy writing and more! Moreover, they had a wonderful weekend of camping, making new friends, learning and having adventures. The girls all earned a badge while there and didn't even know it! One of the Troop 12926 four Juniors summited, which means she completed all three of the core Junior journeys. May is shaping up to be another adventures month!
