Speaking from the East

by WM Gary Scott

Greetings from the East Brethren; Our **Masonic Coffee Club** meeting occurs 9:00 am on every 2nd and 4th Saturdays of each month. Also, **Family night at the Lodge** which occurs the last Saturday of each month. Come join us for coffee and cake and bring your friends... and let's get the families together for some quality time and fellowship... these events are open to the public. **We will be finish conferring the MM degree on Bro. James Melvin on May 2nd at our regular communication. Please come and support the candidate and Ritual Team. Please participate in our Food Drive for Jonah's Pantry. We need much more food collected from every one coming to lodge. Please have a Best-by- Date that is far into the future... 2020/2021 if possible.**

Fraternally,

WM Gary Scott

From the West

by SW Brian Burke

Brethren I would like to call your attention to our on-going LODGE IMPROVEMENTS (see page 8). This is the first phase of a three-phase renovation project for your Lodge. The Worshipful Master has tasked me to form work crews to accomplish these tasks. There are many more things that need done, so I'm requesting you help us get these tasks completed on schedule and under budget. We have coffee and cake on the second and forth Saturday of the Month and that is an excellent time to spend a couple hours working together to complete tasks. Also, we can work a few hours after Scottish Rite Breakfast.

I ask for a work crew to be established on Saturday May 4th at 9 am immediately following Scottish Rite Breakfast. If you can make it please do... the more Brothers lending a hand the quicker we can achieve success.

Eddy 21 is proud to support Girl Scouts of Troop # 12926 of Carlsbad, NM.

Towards the end of March, some of the girls in the troop were able to attend a Reptile Party at the GS Hut on Alameda Street. They had the awesome opportunity to learn about different reptiles, their habitat and what they eat. But the most amazing part of this experience was that the girls got to pet and hold some of these reptiles!! During the month of April, GS troop 12926 also worked on creating a Teddy Bear Sewable Circuit using felt material for the first time, LEDs and conductive thread to sew up a glowing teddy bear. Some of our girl scouts also completed, for the first time or renewed the requirements to get their First Aid/ CPR certification, with the help of Mr. Mike Reynolds. We also had a chance to participate in a tour of the CARC greenhouse, to celebrate Earth Day 2019. All of the girl scouts that attended were given a free flower to take home and plant. On our day off school on Monday April 22, the girls took advantage of the fact that the soup kitchen would be open to donate some girl scout cookies to their visitors. To finish off this month, the girls plan on making two table centerpieces to donate to a girl scout award ceremony being held in June for all of those who participated in this year's cookie season. As always, thank you for your support. (See pictures of some of our activities on page 8.
