IN THIS ISSUE

Speaking from the East

by WM Gary Scott

Greetings Brethren; Time appears to be flying past us at an accelerated rate. Here we are already in November and that means Step up night and Election of Officers for 2020. Looking back on 2019 and the accomplishments we achieved I'm proud of effort put forth by the Lodge. We renovated our Lodge, updated our kitchen, held our first ever Table Lodge, Celebrated our 125th Anniversary in Grand style. We received new members, raised Master Masons, and focused on our ritual work. We also played a major role in community charities, Girl Scouts, and participated in many parades to get our name out into the public. I'm proud of our accomplishments. Now as my term as your Master comes to an end, we must focus on continuing the efforts we started in 2019 and make improvements to craft throughout 2020 and beyond.

Come to Lodge on November 7th and cast your ballot for election of officers and get engaged in the activities of Blue Lodge... we are rejuvenating our efforts and casting a bright LIGHT in Masonry.

Fraternally,

WM Gary Scott

Eddy #21 is proud to support Girl Scouts of Troop # 12926 and Troop #12013 of Carlsbad, NM.

Greetings!

12926 has been busy with activities since starting back up in August with regular meetings. We've taken our fun trip to Santa Fe/Albuquerque where we had a lot of fun, had new experiences, created memories, and worked on team building! The Juniors are working on their simple meals badge, while the Cadettes are finalizing their science of happiness badge and continuing work on the babysitter badge. We most recently attended the Carlsbad Cavegirls Service Unit's Glowfest. This event was a TON of fun. Upcoming events include a council sponsored STEAM in your workshop where we will extract DNA from strawberries, and then use it to create a piece of art. We will also be attending the NMSU-C Taste of Culture. This event is always a lot of fun and a great cultural experience for the girls.

Yours in scouting,
Michele Robertson
Leader, Troop 12926
